Dear Janab Safdar Hussain

As per personal conversation I had with you I write to inform you that the locality in Narasimharaj Mohalla was allotted to 3rd Bn Mysore Infantry as pensioners mohalla some years ago and retired -- Military Personnel had an opportunity of getting House Building Sites at low concession rates Some model buildings were also constructed for this purpose In Bangalore also there is a Pensioners -- Mohalla and retired Military Personnel have still got an opportunity of obtaining house building sites at concession rates Later in Mysore, the sites in the abovementioned locality were disposed off to the civilians and the personnel of this unit have now-- entirely lost the opportunity of purchasing sites for them It is now seen that the locality on the left side of road Mysore-Kesra is still vacant for which officers and men of my unit have a mind a representation to municipal Authorities for grant of sites therein, at low concession rates, in view of their services with the Military Department,

In this connection I would request you to be so good as to render possible help deemed necessary in this case and enable these personnel to obtain sites in the above locality at a low concession rate which I think would be a fitting reward an consideration of the loyal services rendered to the Military Department and enable them to settle down comfortably The Headquarters Mysore State Troops, have also been addressed in the matter

Thanking you

Yours

Subject: House building sites to the Military personnel o 3rd Battalion Mysore Infantry at Mysore city

I write to state that there is a pensioners' Mohalla at Bangalore where retired Military personnel have an opportunity to get house building sites in that locality at the concessional rate Similarly there was also a pensioners' Mohalla at Mysore some year ago and as such the locality Narasimharaja Mohalla was alloted to the 3rd Battalion Mysore Infantry where in some model buildings were also constructed Later the sites were disposed off in this locality to the civilians and the personnel of 3rd Battalion Mysor Infantry have now entirely lost the opportunity of purchasing sites for them.

There is a vacant land on the left side of road, Mysore-Kesra and it is learnt that this locality is available for house building sites The Officer Commanding, 3rd Battalion, Mysore Infantry reports that the officers and men of his unit have sent a representation to the Mysore City Municipal authorities for grant of sites in that locality for the use of 7 State Officers 11 Junior Commissioned Officers, 101 other ranks, 3 civilians and 15 followers (total 137) He strongly recommends that the sites in that locality may be given to the Military personnel of his unit at a low concessional rate This would be a fitting reward in consideration of the loyal services rendered to the Government by the Military personnel and enable them to settle in civilian life after retirement

P T O.

I concur with the opinion of the Commanding Officer and request you to be so good as to obtain and communicate necessary sanction thereto early

Yours faithfully,
